This time, I think I've used up a whole life time's worth of luck.
Please go out with me.
I like you.
Even so,
I confess that I couldn't help but fall for him at first sight.
But even though I'm a guy and it's like this...

Nanato, who is super popular, got a little tired of relationships with women.

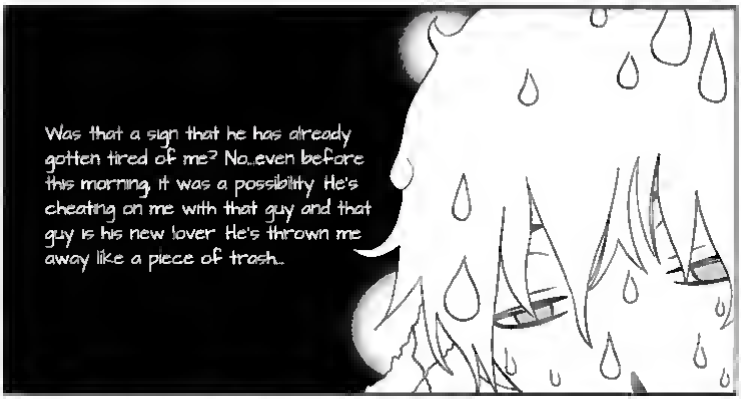
He became bored.

He was looking for a toy

I got lucky

Well...
Even though it's on such short notice, is it okay?
There's someone who wants to meet you
ガラッ
You need one more person?
What is it?
Can I ask you a question?
Nanato.
Isn't today our first date in a while? Even though I was just getting all cleaned up for you. For you, for you, for you!

tremble
tremble
He went so far as to change locations for that guy!? I made so many plans! Am I supposed to be happy about this!?
Ah, about that...
That guy will come and tell you where to meet
BONG
Where am I supposed to meet you?
I can't say it...
Okay
Got it
But, I can't say anything
There really is a difference in our feelings, huh...
Agh——————...



Was that a sign that he has already gotten tired of me? No...even before this morning, it was a possibility. He's cheating on me with that guy and that guy is his new lover. He's thrown me away like a piece of trash...

...

...

*calling through his tears
toss
Nanyato

I confessed to Nanato just based on how he was on TV
...finally happened, huh.
It...
Memeji
Memeji

Still, it's odd that he hasn't broken up with me yet
Hey, Nanato
A manly man has come!
Sideburns! A beard!
He's really small isn't he...
Is he really a college student?
You. Where's your passion?
!
This time, he'll be the one taking pictures for the photo-book.
Shin, this is Shisata Takehiko-san. He's the photographer that I've been indebted to since I debuted
_w-w!
Ow-w
*sex grinds hee!

He's being really patient...
I mean, Nanato
He's so hot!
After 15 days and 7 hours, it's Nanato!
Wa...it's Nanato!
Wow.
Huh!?
So? How is it? Seeing the real thing right in front of you
That hurts, Nanato. That seriously hurts!
This guy... Does he know about our relationship?
quiver quiver
What's up with him?
...what-
stare
being

Nn.
I need to confirm it, though.
...
Nanato
Can I still be your lover?

Huh?
What? So suddenly...
Surprise
Haa?
Sure, why not? You can still be my lover
relief
Okay
Hm? Where should I go from here?
You guys...
No way...He actually thinks that there's something between us

Huh?
Are you into S and M?
Tonight will be punishment.
Say, Nanato.
tap tap
Get in.
Don't you still have work left to do?
If that's the case, I can just go home.
Shin, come here.
This place is like something straight out of a photo—
From the world of a magazine.
Wow.

Slam
Is it really okay to do that here?
Shizata-san, please wait a bit. I'll explain the circumstances to Shin.
Kay
This room is also cool!
Fu...
Nn
Ha...
Nanato

squirm
More?
kiss
lightly
This is happiness...
Mhm
Squeeze...
Let's do this when we get back home.

That's incredible.
I was so nervous. I don't even take photos with my cellphone, so having one taken by a professional was so sudden.
Huh? We have to take a photo?
Together?
If only we could stay like this forever...
Nice!
Hehe~ I bought it! ♡
Oh, it's Nanato's mascara CM!
Eh,? Seriously?
Last week, I saw Manami in Omotesando
I even did my best to get into this university because he's here!
I mean, Nanato never comes to school at all.

*t/n. Omotesando is a neighborhood of Tokyo that has brand-name stores and is known for its shops

*a star like him kimi kurakura creepy hahaha, I can't really translate them literally though, so there ya go.

ホワホワ
...To believe that a star like him could come to like this creepy guy right here...*
That's really amazing...
Just like that, Nanato and I
L
♡

You shouldn't meet with him if it's like that!
What are you trying to say? He always used to be in a good mood, but he hasn't been like himself lately.
Are you sure he's not just playing with you?
You were the one to ask him to go out with you.
It's not like that.
It is like that!
Hey, Shin!
Stop saying that!
Really, you're being unreasonable.
Really...
I'm happy with how it is.
I'm lucky.

Haa
...
Together we're a good match.
When Nanato and I take photos, we don't even look like a couple.
In fact, we don't even look like friends.
Anyone can see that we're mismatched. Together.
Shiro...
I honestly didn't want to take any photos.

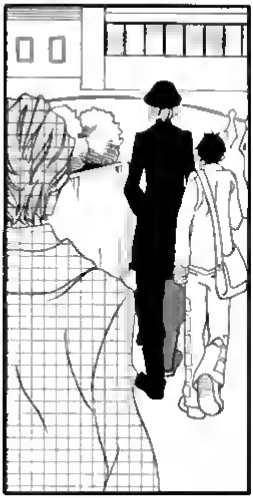
Let's go, Shin
tap
_Nanato!
...

That was just a camera test. This one is the real one.
But the photo...
To Shibata-san
Go?

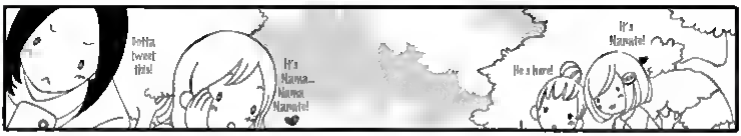
...
Yabe?
stand
Huh...

Come here.
badump
...
Move.
Nanato um..
Hep
The photo..
Hm?
I can get down by myself
Calm down..

How frightening.
I guess he really is liked by him.



Bu-ut..It's still too early to give up



Gotta tweet this!
It's Naruse... Naruse Naruse!
He's here!
It's Naruse!

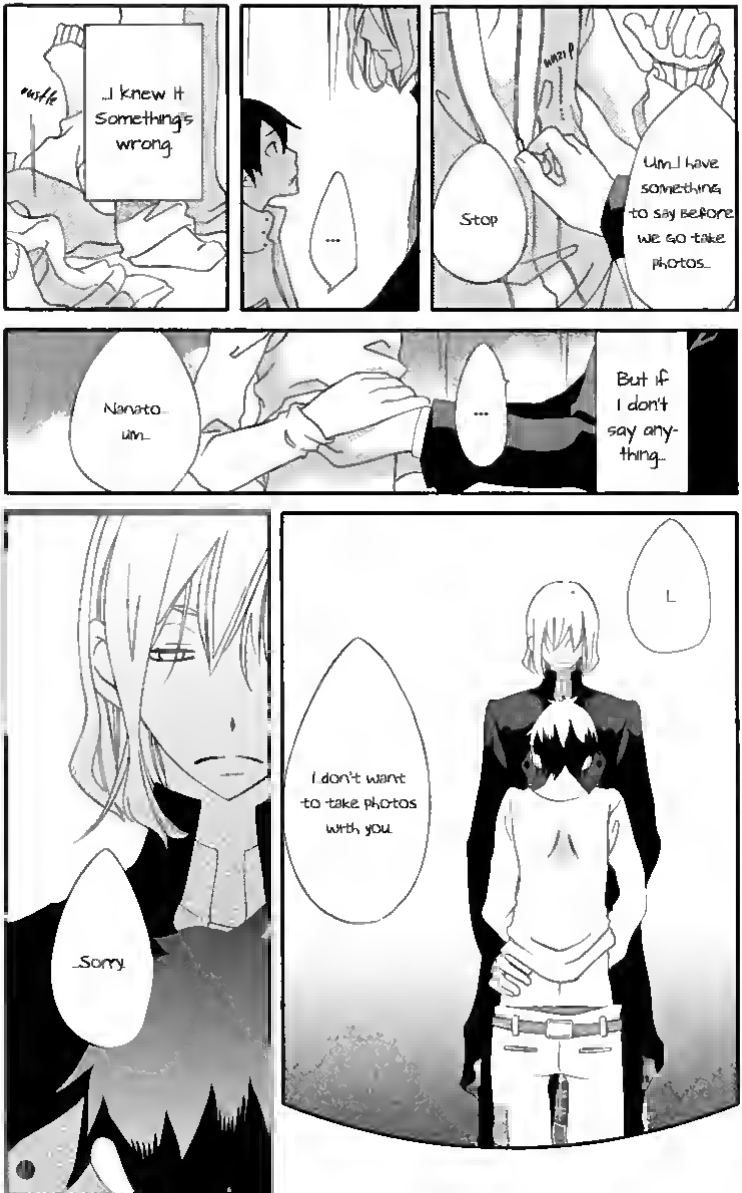
Is he looking around?
...
Who's that behind him?

I can do this much, I think.
Yeah.

I should keep my distance.

sfx: teeth chattering & trembling

swish
Nanato um…why are you watching me?
I feel completely out of place in this.
…
Sorry if he needs help changing, I'll call you.
Could you please leave us?
Okay~!
Hurry up
Nanato ? What's with that biting tone…?
Nanato
Stop
sfx: snap, snap
Ah~



..I knew it Something's wrong
...
Stop
Um..I have something to say before we go take photos..
Naruto um..
...
But if I don't say anything..
..Sorry
I don't want to take photos with you
I..

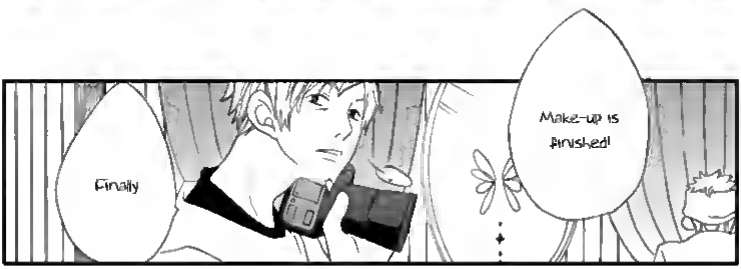
Toys should quietly let themselves be played with.
grab
Huh?
Look, I'm just an ordinary person.
I won't accept that.
Painful

drip
drop
kiss
...
It's painful
It's absurdly painful...

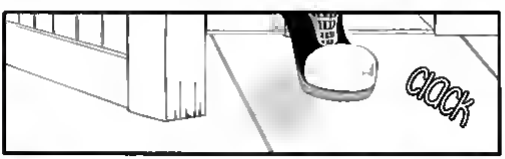
Does
...that mean I can still be your lover?
It's painful, but I still like him.
It's fine if I'm Nanato's toy
Even if it's painful, I still want to be by Nanato's side.

pulls close
Why not?
...
You still are_
_Okay?

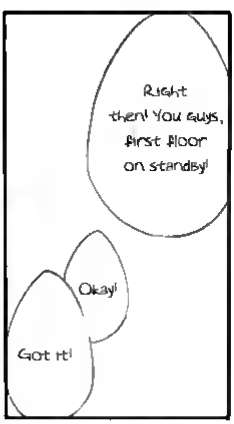
Yup!



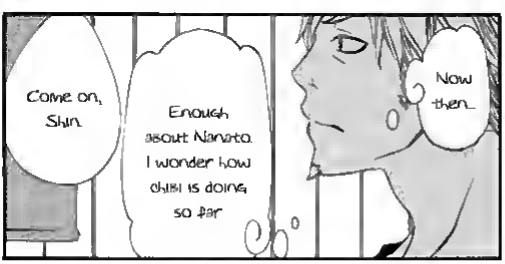
Finally
Make-up is finished!



CLACK



Right then! You guys, first floor on standby!
Okay!
Got it!



Come on, Shin
Enough about Nanato. I wonder how chibi is doing so far
Now then...

Um...
Huh?
chuckle
THIS IS COSPLAY!
Naruto!
I'm really embarrassed about having to wear girl's clothes!
It suits you, Shin. Didn't the make-up artist also call you cute?
Really... But...
I'm surprised, I'm surprised.
Doesn't it just make you want to take a photo?
Shibata-san, as a cameraman, don't you have anything to say?

You guys make a good match.
Yup! It's popular! I'm very glad!
Nanato, Nanato, Nanato! I'm in this photobook with you!
